

Organization Profile

Foundation for Mother & Child Health Indonesia

Tackling malnutrition in various ways, every day.

About Us

Foundation for Mother and Child Health Indonesia or locally known as Yayasan Balita Sehat Indonesia was established since 2001, and **currently has been existence for 22 years**. We work to improve the health and wellbeing of mothers and children in Indonesia. Our mission at FMCH is to create awareness world where every mother is able to receive the knowledge and support she needs for her children to reach their full potential. Working towards better tomorrow, we adopt a holistic approach, by embracing, educating, and empowering adults, young people, and children. Our **work areas** covers 4 locations:

Our Program

Education

→ **MOBILE LIBRARY:** smart car and bike library called Motor Pustaka Timor

→ **PRE-SCHOOL PROGRAM (PAUD):** at Cilandak-Jakarta Selatan, Bojonggede-Jawa Barat, Timor Tengah Selatan, Nusa Tenggara Timur

Livelihood

→ **WOMENPRENEUR/SOCIAL ENTERPRISES:** Sewing class (for certain costume, kids uniform and learning kit), Recycling, Handcrafting, Knitting, Toys Making Project (prospective program-2022)

Health

→ **FEEDING PROGRAM & COOKING CLASS**

→ **HAPPY PREGNANCY CLASS IN TIMOR & BOJONGGEDE**

→ **HEALTH EDUCATION SESSION**

→ **HEALTH ENABLE RETURN PROJECT (HERPROJECT)**

→ **MEDICAL SEVICES:** medical check-up, dental checks, deworming, counselling, etc)

→ **IN FACTORY YOUTH DEVELOPMENT PROGRAM**

→ **NUTRITIONAL FAMILY GARDEN IN TIMOR:** in collaboration with NZ Embassy)

Our Impacts

>Direct beneficiaries of Health Education (HE)Session for Mother: **1.126 women and their children**

>Indirect beneficiaries: **22.500 members of families and communities**

>The direct reach of Pregnancy Class: **1.021 pregnant women**

>The direct reach of HERproject: **1.289 women workers** as Peer Health Educators

>Extended reach of HERproject: **69.854 women workers** in Factories

>The direct reach of Smart Car, Motorbike Library (Motor Pustaka Timor), and Library House: **8.000 children**

>The direct reach of Nutrition Program: **1.000 Children** in Jakarta, Bojonggede, and NTT

Our Challenges

Limited solid resources in health sector

Low economic, bad infrastructure, access

Local stakeholders priority in accelerating health problem

Limited access for educational support

Lack of trainings for cadres or local champion

Our Goals for 2030

Holistic health wellbeing of children and mother Strengthening **mental health, financial literacy and climate change** adaptation components within our programs

Leading (A model) of community based pre-school for children and environmental friendly curriculum.

Expanding our works in NTT (Soe, Sumba and Manggarai) and West Java (Kab. Bogor)

Leading the Maternal Mental Health Alliance in Indonesia

MAKE A BIG IMPACT WITH WITH US!

We are excited to collaborate with anyone: individuals, companies, activists, non-profits, stakeholders, etc.
